Dear Parent/Guardians of Northeastern School District:

Northeastern School District has contracted with Bob McCloskey Insurance to offer a voluntary, parent paid, Student Accident Insurance Program underwritten by Berkley Accident and Health Insurance Company.

The discounted, student accident insurance rates are \$18 for school time coverage, \$69 for around-the-clock coverage, and \$10 for dental accident coverage. Please consider enrolling your child(ren) in this insurance program if you do **not** carry medical insurance or if you have high deductibles or co-payments.

Please be aware that if your child is injured during the school day, in most cases, our district's liability insurance **will not** cover or reimburse for his/her medical bills. This financial responsibility will be his/her parent(s) or guardian(s). By enrolling in the student accident insurance program, this may help to offset your medical costs if your child is injured.

Enroll online for the student accident insurance by visiting www.bobmccloskey.com and select "K-12 Student Accident Insurance – Voluntary Enrollment Form". In the drop down boxes, choose "PA" and choose "Northeastern School District, Pennsylvania" to begin the enrollment process. You may either pay by check to "Bob McCloskey Insurance" or pay online.

If you have any further questions, feel free to contact Mr. Brian Geller, Director of Operations, at either gellerb@nesd.k12.pa.us or 717-266-3667 ext. 10222.

Sincerely,

A handwritten signature in cursive script that reads "Shawn D. Minnich".
