

First Day Tips

Things you should know for a successful first day...

- ❖ The student school day is 8:40 AM – 3:15 PM. If your student will be tardy or absent, contact the attendance line at 266-9833 option 3. An excuse will be needed within 3 days. A parent must accompany the student into the building, if tardy, to sign in the student.
- ❖ Students who are walking or being transported by a parent may begin arriving at the school at 8:25 AM. There is no one here to supervise students before 8:25 AM. Bus riders MUST have a note to be walker at the end of the day. Bus riders MAY NOT ride a different bus from the one assigned to them.
- ❖ When dropping off or picking up students at Spring Forge, please do so by using the parking lot and curb on the left of the school as you approach the school using the front driveway.
- ❖ Backpacks are great tools to help students stay organized. Be aware that backpacks with wheels do not fit in the lockers at Spring Forge; therefore they are not allowed in the building. Thank you for your cooperation with this matter.
- ❖ The cost of breakfast is \$1.25 and lunch is \$2.40.
- ❖ Bus assignments were sent out to families with the classroom assignment letter. Any questions regarding buses should be directed to Mrs. Pat Smith, at 266-3667.
- ❖ A supply list is available in the office. Our teachers will review needed supplies with students during the first couple of days of class.
- ❖ Failure is NOT an option at SFI. Every child needs to arrive prepared to be successful and ready to learn!
- ❖ The most important tip of all is to make sure all students arrive with their smiles, a **respectful and positive attitude**, and are prepared for the best school year ever.

Committed to Learning!
